O.P.M.S.® Kratom Disclaimer

OPMS Gold and Black Disclaimer and Directions:

Directions: Consult with a licensed healthcare provider before using this product for any reason to determine if this product is right for you, and if so, how to use it safely. You should also consult with a licensed healthcare provider about potential interactions or other possible complications before using this product. Do not use this product if you have a serious medical condition or use prescription medications. Do not use this product in combination with any medications, including prescription and over-the-counter medications, vitamins, herbal supplements, drugs, nicotine or any other substance, including any other Kratom product. Tell your healthcare provider about all the medicines, vitamins, nicotine, herbal supplements, drugs, and any other substance including any other kratom that you take or have taken. Inform your doctor of the alkaloid content, labeled on the package, and that of any other kratom product you may have taken in the past. All information presented here is not a substitute for or alternative to information from healthcare practitioners.

DO NOT ALTER PACKAGING FOR RETAIL SALES.

DO NOT USE IF SEAL IS BROKEN

NOT FOR SALE TO MINORS! 18+ ONLY (TENNESSEE 21+ ONLY). Keep out of reach of children.

Only for use as a botanical specimen. Not recommended for long term use or multiple uses consecutively. Not intended for daily use, this includes this product and in combination with other Kratom products.

Disclaimer: This product has not been evaluated by the Food and Drug Administration. These statements have not been evaluated by the FDA. This product has not been deemed fit for US consumption by FDA. By using this product, you accept full responsibility for the use of the product, including but not limited to any adverse

events or health complications that may arise from use. Manufacturers assume no responsibility or liability for the use or misuse of this product. For current full disclaimer and warning, visit www.opmskratom.com.

Warning: This is kratom extract, NOT raw leaf. The mitragynine and other alkaloid content in this product is multiple times greater than that of kratom raw leaf, resulting in an increased potency with this extract product. Treat accordingly and proceed with enhanced caution. As with all kratom products, do not use without first consulting your healthcare professional. Using Mitragyna Speciosa can be dangerous. There have been reports of adverse health effects associated with the use of kratom products. Some publications have suggested kratom may be associated with serious potential side effects including seizures, liver damage, withdrawal, addiction, abuse, and death. Please review FDA's advisories and commentary for concerns about kratom products, available at FDA's website. Do not take more than 1/2 a bottle or 1 extract capsule per 24 hour period, do not take any other kratom product or any medications, vitamins, nicotine, herbal supplements, drugs, or any other substance within 24 hours before and after of taking this product. Do not take Kratom Extract unless you have taken non extract kratom multiple times in the past with no adverse affects. Do not use this product for multiple days consecutively, that includes this product and in combination with other kratom products. Mixing Mitragyna Speciosa extract with medications, vitamins, nicotine, herbal supplements, drugs, or with any other kratom product; extract or non extract, or with any other substance may result in a drug interaction and can be highly dangerous. Do not use this product in combination with medications, vitamins, herbal supplements, drugs, alcohol, nicotine, or any other substances including other kratom products. Do not use if you are pregnant, plan to become pregnant, or while breastfeeding. Do not take this product if you have any type of blood disorder, liver or kidney disorder, high blood pressure, heart disease, central nervous system disorder, or any other medical condition. Do not use this product while operating motor vehicles or heavy machinery. Contact your healthcare provider immediately or seek emergent care if you experience any adverse effects.

OPMS Silver Disclaimer and Directions:
