Q What is -- what is a botanical specimen?
A I guess just a specimen of a botanical, like a piece of a leaf.
Q What does that mean?
A Like you would just have a piece --
Q It says it's only for use as a botanical specimen. Give me an example of how one would use this capsulated powdered substance as a botanical specimen. Tell me how you would do that.
MS. PAYTON:
Object to the form. Interrupting the witness.
A Just -- I'm not sure. That's just what it says. That was put there under advice of counsel.
MR. WAGAR:
Q You were told -- you told me a minute ago that this -- you sell this for human consumption; right?
A Right.
Q But on the label it says "only for use as a botanical specimen," doesn't it?
A It does.
